

As part of the 2018 Stoke Row and Nuffield Motorsport day on Sunday the 15<sup>th</sup> of July we are pleased to announce that we are organising the popular “Maharajah’s Tour” for all types of interesting cars.

In our 7<sup>th</sup> year of running the tour we once again have a new start venue, this time moving to a new location in South Oxfordshire that will once again provide us a varied route in this beautiful part of the world.

A Bacon Roll and hot beverage will be once again be available before you commence on a scenic tour of approximately 60 miles before arriving for lunch at the Stoke Row Motorsports Day venue, Timbers Farm Nuffield, where special parking will be arranged for the finishers.

“Rally style” plates will be issued and finishing awards presented. Maps and a Tulip road book of the route will be issued on the day.

This is a Touring Assembly run by Craven Motor Club and is a NON competitive event run under a certificate of exemption issued by the Motor Sports Association UK Ltd.

The tour will take place on public roads, so all vehicles must be registered and currently licensed with a valid MOT test if relevant.

The cost of entry will be £60 per car which includes two bacon rolls and tea or coffee at the start. Lunch will be available in our hospitality area at the finish at an additional cost of £20 for two meals. Please tick the appropriate boxes on the entry form, indicating if you would like vegetarian or standard ploughman’s, or you can also indicate to opt out of hospitality.

Entry is limited to just 60 cars on a first come, first served basis and the cars will start in age order, oldest first.
